## **PERSONAL BEST TIMES**

***Since June 2006 the Club has strictly enforced 'Rule 17' of the Clubs Rules which require Swimmers/Parents to report any Time swam within '7 days' of the Date of the Event. If notification is not received within 28 days of the Date of the Event no Time will be recorded whether it is a PB or not within the main Club PB Database.***

***Any PB claimed must be supported with appropriate information e.g. official results, the web site address of where the results can be found etc.***

*You are reminded of the increasing tendency of Meet Organisers to require that times be achieved within a specified period before the date of an event; e.g. Nott's County Championships, where times must have been achieved within the 12 months before the start date of the Championships this means, for example that times achieved in 2010 will not be acceptable in the 2012 Championships.*

*It is therefore vital that all times achieved are reported to the Club PB Co-Ordinator as soon as possible.*

***Times not recorded by the Club cannot be certified as correct by the Club for the purpose of entry into any competition.***

**[PB's MUST BE REPORTED TO Alison Atkinson](#)**

*Either at the Club Desk via Alison or (preferably) via the Special Form on the PB Info Page on the Club Website.*
