

PERSONAL BEST TIMES

Since June 2006 the Club has strictly enforced Rule 17 of the Club Rules which require swimmers/parents to report any time swam within 7 days of the date of the event. If notification is not received within 28 days of the date of the event no time will be recorded whether it is a PB or not. Any PB claimed must be supported with appropriate information e.g. official results, the web site address of where the results can be found etc.

You are reminded of the increasing tendency of meet organisers to require that times be achieved within a specified period before the date of an event; e.g. Notts County Championships, where times must have been achieved within the 12 months before the start date of the Championships which means that times achieved in 2008 will not be acceptable in the 2010 Championships. It is therefore important that all times achieved are reported to the Club.

Times not recorded by the Club will not be certified as correct by the Club for the purpose of entry into any competition.

PB's MUST BE REPORTED TO ALAN POSKITT

On the form available at the Desk or (preferably) via the Club website
