KIT BAGS

We now have a new swim kit bag available to order from the club Swim Shop on Wednesday evenings.

Those who saw the bag at the Swim Shop last Wednesday was really impressed with it – please do come and have a look at it.

The bag measures 62cm x 30cm x 30cm, and is in club colours (red and black). It has a small embroidered club logo on the front, and we propose to have swimmer's initials printed on the top of the bag so they don't all get mixed up!

The bag costs £21.00, and we have to make a minimum order of ten to get them at this price. So if you would like to purchase one, please make your payment at the club desk by Wednesday 13th April. They will then be ordered, and delivery will be between 1 and 3 weeks after this date.

We will probably put in another order in 6 months time, so there will be another chance to purchase one if you would rather wait.

Cheers
